Accessibility Statement: https://www.pristinegemcleaning.org is committed to ensuring that our website is accessible to everyone, including individuals with disabilities. We strive to provide a user-friendly experience for all users, regardless of their abilities.

Our website is designed to be compatible with a variety of user environments, including: Desktop and laptop computers - Mobile devices (smartphones and tablets) Assistive technologies such as screen readers and keyboard-only navigation

Our website utilizes the following technologies to ensure accessibility: HTML5 for semantic markup CSS3 for styling and layout - JavaScript for dynamic content and interactions WAI-ARIA for accessible rich internet applications

We are aware of the following incompatibility: Our website's video content does not currently have audio descriptions, which may limit accessibility for users who are blind or have low vision.

We are working to improve the following accessibility limitation: Some of our PDF documents may not be fully accessible to screen readers, which may limit accessibility for users who rely on assistive technologies. Our website's navigation menu can be accessed using only a keyboard, allowing users who cannot use a mouse to navigate the site. - Our website's images have alternative text, allowing screen readers to describe the images to users who are blind or have low vision.

We have conducted accessibility testing using the following tools and methods: W3C Web Accessibility Evaluation Tool (WAVE) - JAWS screen reader testing - Keyboard-only navigation testing

We use a combination of automated and manual testing to assess the accessibility of our website. Our assessment approach includes: Regular automated scans using WAVE Manual testing with assistive technologies such as screen readers and keyboard-only navigation User testing with participants who have disabilities If you have any questions or concerns about the accessibility of our website, please contact us at info@pristinegemcleaning.org.
